Dimock Daily Report

Date: January 31, 2012 - 3:45 PM

FIELD ACTIVITY

Water Sampling (Gerald Heston)

Two (2) homes were sampled as of noon today. Two additional homes are scheduled to be sampled this afternoon.

The Command Post operation will be moved to a rental building in South Montrose, PA by the end of this week. ERT and SERAS onsite support is improving sample management operations.

The Site Team is beginning to receive partial preliminary data for two homes. Additional data is expected to come in over the next couple of days. All data will undergo a QA review.

Summary of surveys, appointments, and sampling:

Community Outreach (Helen Duteau)

A rough draft FAQ for residents and a draft strategy for communicating data results to the residents are being circulated within the region for comment.

COMMUNICATIONS (Helen Duteau)

A reporter from the Gas Drilling Awareness Coalition (<http://www.gdacoalition.org/>) was filming around Dimock today and did a short interview with Trish Taylor (CIC). The interview focused on why EPA was in Dimock and if we have received any resistance from residents. Trish's response focused on our efforts to be protective of human health and the environment and that residents have been very cooperative. Trish is also receiving a few calls from outside of Dimock, including calls from Mr. Craig Stevens and Rebecca Roter asking if EPA is expanding our sampling efforts beyond Dimock. Trish's response has been that EPA is not planning to expand our sampling efforts beyond Dimock at this time.

CNN is tentatively scheduled to film our sampling activities next week. Trish is working on finding an appropriate venue and has suggested that February 8th may be a good opportunity for CNN to film.

Meeting Update (Humane Zia)

ORC (Humane Zia) contacted Cabot's counsel (Lowell Rothschild @ Bracewell & Guiliani) this morning to request a written agenda from Cabot. Rothschild agreed to provide a written agenda. ORC has not received the agenda as of 3:15 PM today.

ORC also contacted PADEP's counsel (Donna Duffy) to inform her that a proposed February 22, 2012 meeting with Cabot is being planned. Duffy identified other PADEP attorneys located closer to Philadelphia who she thought might attend.
